ADVERTISEMENT FOR BIDS

3615 – October 2016

This project is funded by a State Revolving Fund Loan from the Tennessee Department of Environment and Conservation and is subject to Federal Requirements including HR 3547 "Use of American Iron and Steel".

All Bidders must be licensed General Contractors as required by the Contractor's Licensing Act of 1976 of the General Assembly of the State of Tennessee, and qualified for the type of construction being bid upon. As required by law, each bidder shall write on the outside of the envelope containing his bid, his Contractor's License Number, the expiration date, and that part of the classification applying to this bid. Each bidder must deposit with his bid, security in the amount, form and subject to the conditions provided in the Information for Bidders.

"(b) Any person or entity involved in the preparation of the invitation to bid or comparable bid documents shall direct that the Name, License Number and Expiration Date thereof, and License Classification of the contractors applying to bid for the prime contract and for the [masonry over \$ 100,000], electrical, plumbing, heating, ventilation, and air conditioning contracts, and for each vertical closed loop geothermal heating and cooling project, the company name, Tennessee department of environment and conservation license number, classification (G, L or G,L) and the expiration date, appear on the outside of the envelope containing the bid except when the bid is in an amount of less than twenty-five thousand dollars (\$ 25,000) [masonry over \$ 100,000]. When the bid is less than twenty-five thousand dollars (\$ 25,000), the name of the contractor only may appear on the outside of the envelope containing the bid, and upon opening the envelope, if such bid is in excess of twenty-five thousand dollars (\$ 25,000), the same shall automatically be disqualified. Only one (1) contractor in each classification may be listed. Prime contractor bidders who are to perform the electrical, plumbing, heating, ventilation and air conditioning or the geothermal heating and cooling must be so designated upon the outside of the envelope. Failure of any bidder to comply therewith shall void such bid and the envelope containing such bid shall not be opened or considered. It is the duty and responsibility of the awarding person or entity who received the envelope containing the bid to verify only the completeness of the required licensure information prior to the opening of the envelope. Prior to the opening of the envelope, the names of all contractors listed thereon shall be read aloud at the official bid opening and incorporated into the bid. Prior to awarding a contract, the awarding person or entity and its authorized representatives shall verify the accuracy, correctness and completeness of the information required hereby."

* The above is interpreted to apply to all bids by GENERAL CONTRACTORS which exceed \$25,000.

A complete set of Bidding Documents must be used in preparing Bid. The Owner does not assume any responsibility for errors or misinterpretations resulting from the use of an incomplete set of Bidding Documents.

The Owner, in making copies of the bidding documents available on the above terms, does so only for the purpose of obtaining bids for the work and does not cover a license or grant for any other use.

The Owner reserves the right to reject any or all Bids and to waive any informalities or minor defects therein. All bidders must agree that such rejection shall be without liability on the part of the Owner for any damage or claim, including but not limited to loss of profits, savings or income, or any indirect, consequential, incidental, exemplary, punitive or special damages brought by any bidder because of such rejections, nor shall the bidders seek any recourse of any kind against the Owner because of such rejections. The filing of any Bid in response to this invitation shall constitute an agreement by the bidder to these conditions.

All Bids must be made out on the Bid Form provided with the Bidding Documents. Each bidder must turn in a Bid Security (Bid Bond) with their Bid. The deposit is five percent (5%) of the total Bid amount, subject to the conditions stated in the Instructions to Bidders. [The successful bidder shall also be required to execute Performance and Payment Bonds in such amounts as required by the Bidding Documents, furnished by the Bidder and that are used by the Bidder, (or the Bidder's permitted Subcontractors) in performing the Work.] No Bidder may withdraw their Bid within ninety (90) days after the actual opening date of the Bid.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under this contract.

In compliance with TCA 12-4-126(a) and (b), the ENGINEER will not issue addenda less than forty-eight (48) hours before the bid opening date and time. Any questions concerning the bid documents shall be received by the ENGINEER before ninety-six (96) hours prior to the bid opening date and time.
